

DNR Anthology of syllabi and book clubs

This list links to sources from DNR discord for which you'd need to join to reference (the **#books** channel in the DNR discord is free and not beyond a paywall). Some Patreon or otherwise paywalled links are included for reference and, where possible, a public version of the content has a URL to use for free/public access to the same content behind Patreon etc paywall.

This list is works that show up in multiple reading lists - extra important to the project knowledge base of understanding

1. ***Capitalist Realism / Capitalist Realism: Is There No Alternative?*** — Mark Fisher
2. ***Inventing the Future / Inventing the Future: Postcapitalism and a World Without Work*** — Nick Srnicek and Alex Williams
3. ***Four Futures / Four Futures: Life After Capitalism*** — Peter Frase

Image:

For the CLASSES (Tech Crit and DNR Bootcamp) I am intentionally not trying to get all of it below as both should be taken live with the instructors following their guidance not self-study to get maximum impact

And of course, if you made it this far, I love you and hope you have a day that is filled with liberation, fulfillment, social connection, service, health and joy ❤️ peace be with you always my friend.
